REPORT OF THE Managing Committee of St. George's Society FOR 1865.

THE Committee of St. George's Society beg leave to lay before the Annual Meeting of the Society their Report for the past year; and, in doing so, have the satisfaction of being able to congratulate the Society on the flourishing state of its affairs, which has enabled the Committee to dispense their charity on a more extended and liberal scale than heretofore, and at the same time to meet punctually all their liabilities.

The total amount of Receipts, (including balance of last year, of \$390.34,) is	\$2794 88
Of Disbursements	2346 55

Leaving a balance in the Treasurer's hands of.. \$448 33
Of this amount the sum of \$30, received for three life-subscriptions, remains for investment; \$154.35, being a balance of Christmas distribution fund, to be disposed of hereafter; and the balance, \$263.98, is carried over to the general fund of the Society, for charitable purposes. The above will be found in detail in the Treasurer's balance sheet.

The present investments of the Society are as follow:—
City Debentures, \$125, paying interest at 6 per cent.

Canada Permanent Building Society, \$1000, upon which dividends amounting to $11\frac{1}{2}$ per cent. have been declared for the last year.

Yorkville Debentures, \$100: interest at 6 per cent.

Government Debentures, "Phipps Fund," \$1000: interest at 5 per cent.

St. George's Day, the 23rd of April, 1865, falling on a Sunday, was duly observed, in pursuance of a resolution of the Committee, by the attendance of the officers and

members of the Society at Divine service, at the Church of the Holy Trinity, in the afternoon of that day. A special choral service was, by permission of the Rev. Dr. Scadding, the Incumbent, held on that occasion. The prayers were intoned by the Rev. G. T. Carruthers, and the Rev. R. Sandars, (one of the Society's chaplains,) preached a very eloquent and suitable sermon; and the choir performed the choral service in a very effective and impressive manner. The church was filled in every part; and at the close of the sermon, a collection was taken up, and resulted, after payment of some small necessary expenses, in an addition of \$46.15 to the funds of the Society.

The Committee have the gratification of reporting, that the two entertainments held under the auspices of the Society during the past year, proved in each case a decided success, and, after all expenses incurred were paid, resulted in a very handsome increase to the funds of the Society.

The Promenade Concert and Annual Ball were held on Monday, the 24th of April, at the Music Hall, in the Mechanics' Institute. The attendance was most numerous, the principal residents in Toronto shewing by their presence the interest taken in the Society and its charities; and the amount carried to the charitable fund, after payment of all expenses, was \$131.56.

The annual Pic Nic was held on the public holiday, the 14th August, at Mimico Grove, and was also very successful. The cash received for tickets sold was \$319.50, resulting in a profit to the Society's general funds of \$142.28.

The large tent belonging to the Society has been much improved in appearance, and its value increased by the purchase of a canvass wall, as suggested in the Report of the Committee of 1864. The canvass (120 yards) was bought in England by Mr. Hurd, at an expense including freight and duty, of \$37.94. Expenses of adding same to tent and other incidental expenses, \$27.36.

The revision of the By-Laws recommended to be made in the Committee's Report of last year, was intrusted to a Special Committee at the monthly meeting of the Society, held on the 3rd March last; and such Committee, after several meetings on the subject, agreed to a draft of the Revised By-Laws, to be submitted to the Society; but in consequence of the necessary proportion of the members of the Society, viz., one-fifth of the corporation, not being present at any subsequent quarterly meeting, no action could be taken in the matter, beyond the reading the Report of the Special Committee, which was done at the Quarterly Meeting, held on the 7th April last.

During the past year the relations of three destitute English persons dying in Toronto were assisted in the expenses of the burials, at a cost of \$11 to the Society.

The members lost by death during the past year are—J. H. Gibson, Henry Warmington, Enoch Turner, and Robert Winsor.

The Committee regret that the Annual Subscriptions of Members have not been more punctually paid than in previous years, and that a large amount of arrears still remains due. The total number of members who have paid their annual subscriptions for 1865 is only 152,—

Realizing the sum of.....	\$389 50
Arrears of subscriptions received are	40 00
Payments by new Life Members are.....	30 00

The Committee have, at their weekly meetings and by the hands of their Sub-Visiting Committee, dispensed charity during the past year amounting to the sum of \$464.75, and \$22.50 from the "Phipps Fund," and have also loaned \$46.00 to destitute families.

The persons relieved have, in many cases, seen not only better days, but have moved in ranks of society generally far removed from want; and it is gratifying to be able to state, that, in many instances, while relieving their immediate wants, the advice and recommendations given by members of the

Committee to the applicants, have resulted in their obtaining some permanent employment.

The Committee have rigidly declined to afford giving continued relief to the same applicants, or encouraging in any way would-be pensioners on their bounty.

The annual distribution of Christmas Cheer took place on Saturday, the 23rd ult., at the store of Mr. T. D. Harris, in King Street East, which was very kindly lent by him to the Society for the occasion. The Society is also indebted to Mr. Hiram Piper for the use of a stove and pipes, and for the labour of putting them up, and to Mr. J. H. Richey, for Platform Scales.

Collectors of Special Subscriptions for the Distribution Fund had been previously appointed, and had canvassed the city in each ward. The result was the receipt of \$1,030.07 in cash, and of a large amount of meat, tea, sugar, bread, and vegetables, in kind. As the collections were made from persons of all nations, so was the distribution of the Christmas Cheer given to all parties seeking relief and properly recommended, without regard to country or creed. The number of families relieved was 868, comprising on their own representations, 3,812 persons, averaging upwards of 4 in each family.

These 868 families consisted of—

312 English,
432 Irish,
30 Scotch,
41 Canadians,
18 Americans,
16 Colored,
3 Germans,
16 other nations and unknown.

868

The quantity of provisions distributed was

Beef, 11,864 lbs.	Potatoes, 310 bush.
Mutton, 350 "	Tea, 50 lbs.
Bread, 1115 loaves.	Sugar, 24 lbs.

The distribution commenced at 10 o'clock, A.M., and continued without intermission until late in the evening.

An analysis of the nationalities of the persons contributing to the fund, and of the amount collected, shews the following result:—

English	\$475 15
Irish	130 70
Scotch	119 00
Canadians	116 20
Americans	29 25
Unknown	48 97
Other Nations	65 80
Licensed Victuallers	25 00
Subscription from Bradford	20 00
	—————
	\$1030 07

A consideration of the above figures will convince every reader of this report, that the dispensing of Christmas Cheer to persons of all nations, with the necessary previous collections, issuing of recommendation papers, and of tickets, and the selection and purchase of provisions, entail on the Committee an amount of labour and expenditure of time, which can be but very inconveniently bestowed at Christmas, a period of the year when every business man feels that his time is more than usually precious, and his personal superintendence more than ever required in the management of his own affairs. The relief now regularly afforded for more than ten years past, and consequently generally looked for, has gradually increased to such dimensions, that the proper and judicious distribution of it becomes annually more difficult, and indeed nearly impossible, in the limited time applicable for it, having a due regard to the recommendations of the subscribers to the fund, and to the comfort and satisfaction of the recipients of the charity. The Committee would, therefore, suggest to their successors in office, the prudence of confining (on the recurrence of Christmas) both their solicitations of subscriptions and their distribution of provisions to the English, or their immediate descendants. In making this suggestion, the Committee beg most cordially to thank the contributors to the late Christmas distribution fund, not only for the handsome donations received, but

especially for the kind and friendly spirit in which such donations were given, thereby relieving the Collectors from much of the thankless office of begging, and investing them with the more congenial duty of becoming dispensers of their charity.

It will be observed that a balance of \$154.35, less \$85.37, accounts still unsettled, remains in the hands of the Treasurer for distribution: a balance which, considering the objects for which the fund was raised, the Committee consider is not fairly applicable to the general fund of the Society, from which the English only are relieved; and as part of this sum (viz., \$25 received from the Licensed Victuallers' Association,) was given with a special request that it should be laid out in the purchase of wood for the poor, the Committee beg to suggest to their successors, that no better means of applying the whole sum can well be found, unless it be thought, that (considering the extreme difficulty of a fair distribution of a limited quantity of wood amongst a nearly unlimited number of poor of all nations and creeds), the division of the remainder of the fund between some of the charitable institutions of the city, to be by them dispensed in fuel to the poor and destitute, would not be the more satisfactory way of fulfilling the intentions of the contributors to the fund.

The Society's Office, in Victoria Hall, is open every day, and the Secretary ever ready to afford information to the public generally, and to applicants for relief, as to the rules and hours of meeting of the Society. The Committee continue to find their office a most suitable and convenient place for holding their weekly and monthly routine meetings, and for any other matters connected with the Society; and wish particularly to call the attention of the public, and *especially of the fair sex*, to the fact, that they have a respectable office where gentlemen, and even ladies, wishing to communicate such cases of distress as can be legitimately relieved by the Society, need not doubt of receiving respectful attention and any information that they may require.

The Committee regret that so many Englishmen and persons entitled to become members of the Society, still refrain from joining their countrymen in a work which cannot but be considered as good and praiseworthy, whether as regards its charitable objects, or the promotion of that mutual and friendly intercourse between our countrymen, which is expressly stated in the Society's by-laws to be one of its principal objects.

The Committee, on a careful consideration of the Society's ways and means, of its funded property, and of its probable income from members' subscriptions, and the surplus to be anticipated from its annual entertainments, cannot conceal the fact, that with the exception of the small income derived from its permanent funded property, all its resources are of a very precarious nature, and depend on the personal and continual exertions of its officers and members, and on the interest which the inhabitants of the city take in the Society, and the confidence they feel in the trustworthy and judicious management of its affairs. This interest and confidence can only be kept alive by a simple and plain statement of the Society's transactions on all occasions; and the Committee would therefore suggest that an account of the total weekly expenditure in charity during the past year, and of the distribution at Christmas, be prepared and inserted in the *Globe* and *Leader*, in anticipation of, and in addition to, the usual annual printed Report.

It would be well to add the cordial thanks of the Society for the liberal contributions accorded them by the public; contributions to such an extent as to justify a remark made at the close of last year's Report:—"That the Society holds a high place in public estimation;" and, in order to keep this high place, the Committee feel that the continued and systematic exertions on the part of all the members are very essential. Were every member to induce another Englishman to join our ranks, the result would be very important to our financial condition.

ROBERT SPRATT, *President.*

HERBERT MORTIMER, *Secretary.*
